Selectmen's Report

The new look of Randolph has been chosen as the subject for this year's pictures. Two views from our new roads are our cover scenes.

A view of Pine Mt. from the Dolly Copp road entrance is on the front cover. This section of road is maintained by the State during the summer months and by the Town in winter.

Looking across the new Moose River bridge, past the Post Office buildings and up Hodgdon Hill shows a small portion of the new U.S. Route #2 as we see on the back cover. Selectman Almon Farrar contributed these and the two inside the back cover as well.

Inside the front cover is a view of Lake Durand taken last summer by Paul Doherty.

Snow, thus far this winter, has not reached the depths we are accustomed to, but on Randolph Hill we found enough to display our new Sno-Go in action as shown by the pictures inside the back cover. We thank both Almon and Paul for their assistance.

WARRANT

Article #3 would increase the appropriations both for summer and winter highway maintenance. Since the opening of the new U.S. Route #2 through Randolph the section of old U.S. #2 bypassed by the new highway, plus the access roads at both ends have become town road. This year's appropriation is an estimate; we hope it may be found that this is more than necessary to keep these roads, plus what was already town road in good order.

Article #4 would provide for the replacement of 48 street lights in town from incandescent to mercury lights. Already we have 8 of this type which are much brighter and prove more satisfactory than the old ones.

NEW HOMES

The year of 1966 has been a real year of changes in Randolph. New homes, both summer and year round including one trailer and a new place of business; summer homes were built by Lydia Ogilby, Eloi Parisee and John Eusden—year-round homes were completed by Curtis Bader and Darrell Bernier—a trailer home by Bobby Corrigan and Gordon Lowe built a new place of business, store, garage and living quarters above.

IMPROVEMENTS

Additions and improvements were accomplished by John Cairns on the old Alvan Davis house, Ammi Cutter at Echobank and Stephen Weston on the property he purchased from Mrs. George Lane. Garages were built by a number of home owners: Freeman Holden, Lanson Stiles, Sherman Brown and R. L. M. Underhill.

Report of Librarian

Thanks to the purchase of a revolving bookcase by the Randolph Home Economics Group, the Library was able to borrow twice as many books from the State as usual. The librarian and Mrs. Elsie Carpenter went to the library extension stockroom in Littleton and personally selected nearly 200 good titles for summer reading.

Though well prepared for a large circulation, the Library found itself in competition with exceptionally fine weather for most of the summer; the trails, the tennis courts, and especially the swimming pool proved more alluring.

Besides the bookcase, the Home Economics Group donated 20 new books, all recent publications.

Gifts were also received from the Appalachian Mountain Club (A.M.C. White Mt. Guide, 1966), Mr. Devereux Butcher, Mr. Ammi Cutter, Dr. Ira Hiscock, Robert Howard, Mrs. Charles F. Judson, Mrs. Armand Martin, Mrs. Paul H. Noyes, Mrs. Lena Watson, Dr. Richard G. Wood, and Mr. Van R. Woolsey.

The library was officially open 50 hours for a total circulation of 496 volumes. Nine local families borrowed 136 books for winter reading.

New Hampshire State Dept. of Health

Mr. Rayner M. Reed
Town Clerk
Randolph, N. H.

To the Citizens of the Town of Randolph:

During 1966, 21 visits were made in the community, and they are classified as follows:

Cardiovascular	1	Mental Health	4
Crippled Children's Services	2	Other	1
Health Supervision	14		

Three children have attended the Orthopedic Clinics this year. Both preschool and school children have received immunizations at clinics held in Gorham and Jefferson.

There is a crucial need at this time, for communities to develop an over-all plan that will insure continuity of nursing service from the hospital to the home, or from the home to the hospital.

Nursing is one of the essential services in any community health plan or program.

The citizens in any community or area, have a direct responsibility, therefore, to make sure that needed continued nursing care is provided for men, women and children as they move to any place where care may be given.

Each community needs to develop or improve a community centered or area centered plan, which will enable its citizens to have better and more complete nursing care available to them and their families when needed.

How many of your citizens who should be receiving benefits from the Medicare Program are unable to do so because you do not have a community centered or area centered plan to meet their needs?

Now, is the time for action by all citizens of your community.

ELEANOR D. KENNEY, R.N.
Public Health Nurse, District #2

The Ravine House Development

The former Ravine House property now begins to pay dividends to the Town in many forms.

Lake Durand continues to serve as a beautiful wildlife center. The beaver have never thanked us for building it, but they obviously enjoy it. We wish they would take the poplars and leave the white birch, but they do not seem to share our aesthetic standards. The fish are doing well; a goodly number were caught ranging in size from 7" to 16" in length. And the birds, large and small are a delight. The walk around the lake obviously grew in popularity as last summer advanced.

We are sorry the state had to cut a slice off the southern edge of the land for the new road, but they have paid us for it. We don't know who they got to assess the value of the land, but we think it may have been the senior citizens of the home for the feeble-minded, for they offered only \$1,050.00. The Town promptly joined other property owners who felt similarly robbed, engaged Mr. Arnold Hanson of Berlin as attorney, and went to court. Fortunately the judge felt the same way that we did and awarded us no less than \$9,137.10, more than eight and a half times what had been offered. After all fees and other expenses were paid the Town was able to deposit \$6,528.60 in its account as net payment from the state, \$1,050.00 was received in 1965.

The land north of old U.S. #2 is also undergoing a change of hands. It is a pleasure to announce that Mr. John Cairns has bought the westernmost strip and that Dr. John D. Eusden of Williamstown, Mass., the strip next to that. The latter has in fact already built a house on his property. The next strip east is promised to Dr. William F. May of Bloomington, Indiana, and the southeast corner to Stephen Weston, Esq., already well known in Randolph. There could be no better news for Randolph than that such men and their families are putting down their roots in the soil of the Town. Since the Randolph Foundation will retain control of the northeast corner, where Crystal Spring lies, there remains only one more strip of land to be sold, and since three men are standing in line to consider its purchase, we soon expect to announce that we have retired from the real estate business.

Your School Board is recommending a budget of \$23,078.03. This amount represents a \$2,380.22 decrease from our present operating budget.

North Country Motors was the successful bidder on our new bus, a 1966 Ford, 48 passenger with Superior body. Net cost of the bus was \$4,652.13. We were very pleased with the number of bids received.

A comparison of revenue for the present fiscal year and estimated revenue for 1967-68 is indicated below:
